## **AIC Wireless Expands Distribution Across the United States and Canada**

**March 28, 2008**

### ***For Immediate Release***

In an ongoing effort to increase exposure of the wireless products offered by AIC Wireless, distribution has expanded across the United States. The overwhelming success of the WLD900 by contractors has increased visibility of the product causing interest by various Distribution channels.

The following is a list of the current Authorized Distributors of the WLD series products by AIC Wireless:

- Engenuity Systems
- ActiveLogix
- Control Consultants, Inc.
- CT Supply
- National Energy Controls Corporation (NECC)
- Divio-Tech
- Yorkland Controls

For more information on the products offered by AIC Wireless, please contact [sales@aic-wireless.com](mailto:sales@aic-wireless.com) or contact one of the listed Authorized Distributors.
